MESSAGES FROM THE GOVERNOR.

A messenger from the Governor appeared at the bar of the House, and being duly announced, presented the following messages from the Governor, which were read to the House, as follows:

Governor's Office,

Austin, Texas, September 23, 1926.

To the Honorable Legislature of the State of Texas in Called Session.

Gentlemen: During the recent outbreak of the foot and mouth disease in 1925 in the Houston, Galveston and Brazoria area it became necessary in the opinion of the Federal and State authorities to restrict and prohibit the shipping and sale of hay from said area. Injunction suits were filed to prevent enforcement of said orders by the authorities. Mass meetings were held at which the various owners of hay meadows were present, together with Federal and State authorities, and I sent a representative to also participate in said meeting.

After full discussion and by agreement of all parties all suits were dismissed and it was agreed by the owners of the hay meadows that they would not under-

take to ship hay from the quarantined area and that they would give full cooperation to the authorities in enforcing the quarantine deemed so necessary to stamp out the disease that threatened the cattle industry of Texas.

I authorized my representative to say in my behalf that I would recommend to the Legislature the payment of actual losses sustained by the enforcement of said orders.

I do not know just what losses have been sustained, but I am officially informed by our Live Stock Sanitary Commission that claims aggregating some six hundred thousand (\$600,000) dollars have been filed, and it is my information that our Live Stock Sanitary Commission is of the opinion that said claims should be reduced to approximately \$200,000 as the State's part of this expense for this damage, and the remaining amount to be made against the Federal government.

As stated, I do not know the actual amount of damage, but I do know that the owners of the hay meadows have sustained substantial losses and their property was taken in the interest of the public good and protection.

Therefore I am submitting to you the question for your full deliberation and disposition of the matter of payment of the loss sustained by the owners of the hay meadows in such amount as you may determine as right and proper.

Respectfully,
MIRIAM A. FERGUSON,
Governor of Texas.

HONORING EX-GOVERNOR SAYERS.

Mr. Fly offered the following resolution:

This September 23, 1926, being the 85th anniversary of the birth of Hon. Joseph D. Sayers, it is meet and fitting that the Legislature of Texas should put on record its recognition of the anniversary of the natal day of a man who, by his character and service, reflected the highest honor upon Texas.

As a gallant Confederate soldier, who bears on his body the scars of wounds received at the forefront of the fighting, and as State Senator, as Lieutenant Governor, as sixteen years a member of Congress, and as Governor of Texas for four years, he served his people with courage, ability and conscientious fidelity, and left the impress of efficient service upon the records of the era in the activities of which he was a leader.

As a soldier he led his men into the "foremost and focal fire," and when in common with all his fellow soldiers of the South he was forced to yield to overwhelming odds, he sheathed a sword "as stainless as the scimitar of Eden's sentinel."

As chairman of the Committee on Appropriations of the House of Representatives of the United States Congress, he in large measure directed the appropriations of many millions of dollars, and laid down that high trust with clean hands and left behind him a record which his bitterest political foe could not impeach.

Now, when ripe in years, and rich in honors, he draws near the sunset of life, we tender him our heartfelt congratulations, and the assurance that we rejoice that his honorable and useful life has been so long spared, and place of record our earnest hope that he may yet abide with his people for many days.

We further put on record our earnest invitation that at his earliest possible convenience he will visit this Hall and address the House, and that he bring with him his noble wife, to whom he is so largely indebted for his signal successes and triumphs.

A copy of this resolution signed by the Speaker and attested by the Chief Clerk is directed to be delivered to Governor Sayers in person.

Signed—Fly, Kittrell, Durham, Veatch, Irwin, Purl, Wallace of Freestone, Frnka, Sinks, Petsch, McFarlane, Rawlins, Farrar, Masterson, Williams.

The resolution was read second time and was adopted unanimously.

PROVIDING FOR ADDITIONAL COPIES OF STATE STATUTES.

Mr. Pearce offered the following resolution:

H. C. R. No. 3, Providing for additional copies of State Statutes.

Whereas, The Statutes of this State limit the number of copies of the Revised Civil Statutes to one that the Secretary of State may supply each department of the State; and

Whereas, The necessities of the General Land Office require five; therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the Secretary of State be and is hereby authorized and directed to deliver to the General Land Office of the State of Texas, four additional copies of said statutes.

Signed—Pearce, Masterson, Smith of Travis.

The resolution was read second time and was adopted.

INVITING MISS CLARA BOW TO VISIT THE HOUSE.

Mr. Williamson offered the following resolution:

Whereas, Miss Clara Bow, leading lady for the Paramount Picture Corporation in their new feature picture, "Wings," now being filmed, is within the Capitol building; and

Whereas, In the filming of this picture the United States Air Service is assisting in the making of this picture at their flying field near San Antonio, Texas; and

Whereas, The filming of the picture by this company featuring Miss Bow and an all star cast will give the Lone Star State much favorable publicity; therefore, be it

Resolved, That Miss Clara Bow be invited to appear and be introduced to the House.

Signed—Williamson, McFarlane.

The resolution was read second time and was adopted.

In accordance with the above action, the Speaker announced the appointment of the following committee to escort Miss Bow to the Speaker's stand:

Messrs. Jacks and Kittrell.

The committee having performed their duty, Speaker Satterwhite presented Mr. Kittrell, who then introduced Miss Bow.

Miss Bow then addressed the House.

RELATING TO INVESTIGATING HIDALGO COUNTY BONDS.

Mr. Irwin offered the following resolution:

H. C. R. No. 2, Relating to Hidalgo county bonds.

Whereas, Upon the appeal and urgent pleadings of the citizenship of Hidalgo county, Texas, because of their great suffering and public calamity by reason of disastrous floods and overflows causing deaths to its inhabitants and great damage to their property, the Thirty-eighth Legislature of Texas in its generosity and patriotism enacted a law releasing the inhabitants and property of Hidalgo county, Texas, from the payment of State taxes for a period not exceeding twenty-five years; and

Whereas, By reason of such generosity and patriotism of said Legislature, the citizenship of Hidalgo county were permitted and did vote, issue and offer for sale, through their duly elected, appointed and acting public officials, a bond issue of \$1,620,000, dated June 15,

1924, and bearing interest at six per cent per annum; and

Whereas, Said elected, appointed and acting public officials, towit, J. C. Epperson, county judge; George W. Walton, county treasurer; W. D. Chadwick, Marvin Evans, George Brooks, and W. L. Lipscomb, county commissioners, and Cam E. Hill, county clerk, all of Hidalgo county, Texas, and others, contracted, in writing, sold and delivered said \$1,620,000 in bonds to J. L. Arlitt of Austin, Texas, said contract of sale was for par and accrued interest, without brokerage or commission. Said sale was for the sum of \$1,620,000 and accrued interest, totaling \$1,644,300, the said bonds being delivered on the 15th day of September, 1924, to the American National Bank, Austin, Texas, on which date the Brown Crummer Company of Wichita, Kansas, wired to the American National Bank of Austin the sum of \$1,644,300 in cash payment of said bonds; and

Whereas, Said public officials, J. C. Epperson, George W. Walton, W. D. Chadwick, Marvin Evans, George Brooks, W. L. Lipscomb, Cam E. Hill with E. A. Peffley, the Edinburg State Bank and Trust Company of Edinburg, Texas; O. O. Norwood and E. P. Craven, both of Austin, Texas, and others unknown to the authors of this resolution, did conspire to cheat and defraud, and did cheat and defraud the State of Texas, the county of Hidalgo, the taxpayers of Texas, as well as the taxpayers of Hidalgo county, out of a very large part of the proceeds of the sale of said bonds in the sum of approximately one-half million dollars, as hereinafter more fully set out.

That on the very day of the delivery and sale of said bonds the sum of \$194,400 was ordered and paid to O. O. Norwood, in cash, in fraud, for which the State of Texas, the county of Hidalgo, and the taxpayers of Texas, as well as the taxpayers of Hidalgo county, have received no value.

That on the very day of the delivery and sale of said bonds the sum of \$24,300 was ordered and paid to O. O. Norwood, in cash, in fraud, for which the State of Texas, the county of Hidalgo, and the taxpayers of Texas, as well as the taxpayers of Hidalgo county, have received no value.

That on the very day of the delivery and sale of said bonds the sum of \$135,630 was paid to parties not named by the authors of this resolution, said amount being paid in fraud without

value having been received by the State of Texas, the county of Hidalgo, the taxpayers of Texas, or the taxpayers of Hidalgo county, as documentary evidence will reveal.

That on the very day of the delivery and sale of said bonds the sum of \$123,570 was paid to parties not named by the authors of this resolution, said amount being paid in fraud without value having been received by the State of Texas, the county of Hidalgo, the taxpayers of Texas, or the taxpayers of Hidalgo county, as documentary evidence will reveal.

That from the amounts hereinbefore alleged as fraudulently paid, an investigation will show that the sum of \$52,500 was paid to a party known to the authors of this resolution.

That from the amounts hereinbefore alleged as fraudulently paid, an investigation will show that the sum of \$10,000 was paid to or through E. P. Cravens of Austin, Texas.

That from the amounts hereinbefore alleged as fraudulently paid, an investigation will show that the sum of over \$30,000 was paid to lawyers not employed by the State of Texas or county of Hidalgo; and

Whereas, Out of the sum of \$1,644,300 cash from the sale of said bonds the enormous sum of \$477,900 has never been deposited in the Treasury where it belongs; and

Whereas, After the delivery and payment in cash of said bonds, the sum of \$1,644,300 should have been placed in the Treasury, however, in further conspiring to cheat and defraud the State of Texas, county of Hidalgo, the taxpayers of Texas, as well as the taxpayers of Hidalgo county, in addition to the sum of \$477,900, which has never been paid into the Treasury;

The enormous sum of \$963,400 was illegally withheld from said Treasury for a period of ninety-one days.

The enormous sum of \$757,400 was illegally withheld from said Treasury for a period of 181 days.

The enormous sum of \$548,400 was illegally withheld from said Treasury for a period of 273 days.

The enormous sum of \$336,400 was illegally withheld from said Treasury for a period of 362 days; and

Whereas, Out of the funds that actually did reach the Treasury there has been graft, waste and extravagance and favoritism shown by public officials to relatives and business and professional associates; and

Whereas, There is danger of additional and further dissipation of said funds; and

Whereas, By delay there is great danger of witnesses not being available; and

Whereas, There is great danger of documentary evidence being destroyed, removed or altered; and

Whereas, There is danger of the guilty parties leaving the State; and

Whereas, After numerous demands from the taxpayers of Hidalgo county, as well as the taxpayers of Texas, for an accounting of said funds, no accounting of any character whatsoever has ever been had or made to the State of Texas, or to the taxpayers of said State or county; and

Whereas, Section 2 of the general law remitting said taxes, among other things, provides that when the sinking fund created becomes sufficient to retire the bonds provided to be issued hereunder, then this law shall cease to be operative and release of taxes hereby made shall cease and, therefore, any waste, extravagance or graft in the handling, sale or expending of said funds is a direct loss to the State of Texas and the taxpayers of Texas, as well as the county of Hidalgo and the taxpayers of Hidalgo county, Texas; and

Whereas, The Senate of the Thirty-eighth Legislature, in their public spirit of patriotism and generosity, instituted and passed said remission of taxes and sent to the House of Representatives the bill above referred to which was later concurred in by the House. Said bill enabled and gave opportunity for such bonds which has resulted in said outrageous graft and fraud on our citizenship of Texas, as well as Hidalgo county; and

Whereas, The Senate of the Thirty-eighth Legislature took the initiative in such tax remission, it is just, fair and right that the Senate of this, the Thirty-ninth Legislature, should join in the taking of testimony and assist the House in making a fair and impartial finding in the premises and report such finding to the present session of the Legislature; and

Whereas, The taking of the testimony and the facts to be developed should be taken by the Senate, as well as the House of Representatives; and

Whereas, The evidence can be taken and a full report made in a very few days to the present Legislature; and

Whereas, The seriousness of the charges herein and the magnitude of

the funds to be recovered and the imperative necessity of an immediate investigation and report to the present session of the Thirty-ninth Legislature, makes it necessary that this investigation and report be separate from any other; therefore, be it

Resolved by the House of Representatives of the Thirty-ninth Legislature, First Called Session, the Senate concurring, That immediately upon the passage of this resolution a committee of eight members shall be appointed, five from the House to be appointed by the Speaker of the House, and three from the Senate to be appointed by the Presiding Officer of the Senate, the said committee to be charged with the duty of instituting a comprehensive inquiry into the voting, issuance, sale, receipt of funds therefrom, and the payment from said funds of moneys from a bond issue of \$1,620,000 in Hidalgo county and to inquire into the policies, system of expenditures, auditing of accounts and funds, contracts of work thereunder, and to make any and all other investigation in reference thereto as may seem proper, and said committee shall be known as the Hidalgo County Bond Investigating Committee; and shall elect its own chairman and such other officers as it may desire, and make such rules governing its procedure and forms of process as may be permitted by law.

In addition to the powers necessary to carry out the full and complete terms of this resolution said committee shall cause the testimony of all witnesses to be taken by a competent stenographer and shall make a report to each branch of the Legislature at the present Called Session, and shall accompany such report with the evidence taken by it and its recommendations.

In addition to the powers conferred by law to said committee, anyone refusing to obey the summons or refusing to be summoned, or evading process issued by said committee, or anyone who shall refuse to appear before said committee in person, or to produce any books, papers, letters, telegrams, or any other thing called for by said committee, shall be held to be in contempt of this House as a whole and shall be brought before the bar of this House for such contempt, and shall there be dealt with as the members of this House may deem wise.

All necessary expense, not exceeding \$1500 incurred by the members of the committee appointed hereunder, or incurred under its direction, and in pur-

suance of this investigation, shall be paid out of the contingent expense funds of the House and Senate.

The resolution was read second time. Mr. Petsch raised the following points of order on further consideration of the resolution:

The resolution is out of order for the following reasons:

1. Because the subject matter of the resolution is not embraced in the call of the Governor of this session of the Legislature.

2. Because the records of the District Court of Travis County disclose that a suit is pending to settle the matters alleged in the resolution, and by virtue of said fact the settlement of the matters set out in the resolution have been delegated to the Judicial Department of the State, and the adoption of the resolution would constitute an infringement on the Judicial Department of our government by the Legislature.

3. Because matters set out in the resolution are matters primarily of interest and importance to Hidalgo county and such as under our system of government ought to be settled by the citizenship of said county by means of and through the government machinery, the grand jury and district courts of said county.

4. Because resolution can accomplish nothing, is purposeless, can not result in anything but a waste of time to the Legislature and of the funds of the State of Texas.

Mr. Westbrook raised a point of order on further consideration of the resolution at this time, on the ground that the time for the consideration of resolutions has expired.

The Speaker sustained the point of order by Mr. Westbrook.

Question—Shall the point of order raised by Mr. Petsch on the resolution be sustained?

RELATING TO LEGISLATION AFFECTING JOINTLY STATE AND NATION.

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 4, Relating to legislation of Nation and State.

Whereas, During the past several sessions of Congress numerous so-called fifty-fifty appropriations have been passed by Congress affecting the rights and legislative powers of the various States of the Union; and

Whereas, These appropriations have

grown to such proportions and have affected the States' right to appropriate their own funds through their Legislature to such an extent that the several States have become alarmed as to the growing tendency thereof; and

Whereas, Joint tax levies and joint legislation has been passed by the Congress of the United States that materially affects the right of Texas to legislate for itself in matters that should be left solely to the discretion and judgment of the Legislature of the State of Texas; and

Whereas, All of such legislation has been enacted by Congress without advising with the Legislatures of the several States; and

Whereas, No method has been devised by the Legislature of Texas whereby its wishes in these matters might be made known to the Congress; therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring:

Section 1. That a committee be appointed by the Thirty-ninth Legislature at its First Called Session to confer with the members of Congress and various committees thereof regarding the wishes of the Legislature of Texas concerning joint appropriations, joint revenue measures and legislation affecting or which may tend to encroach upon the rights of the State of Texas and its Legislature to enact State and local laws as her Legislature may desire; and be it further resolved,

Section 2. That said committee be empowered and instructed to consult with Congress upon all matters that may affect the State of Texas and the rights thereof and to protest against the Congress encroaching upon the rights of Texas and against the further centralization of power in Washington in matters in which the State of Texas might be expected to become a party and against the Congress creating new powers and exercising undue authority over the States and the people thereof.

Section 3. Said committee shall consist of five members of the Legislature of Texas; two members of the Senate to be appointed by the Lieutenant Governor and three members of the House of Representatives to be appointed by the Speaker of the House of Representatives.

Section 4. It shall be the duty of said committee to inquire into and report back to the Legislature of Texas upon all proposed or pending Federal legislation affecting jointly the affairs

of the State and Nation and upon all laws heretofore enacted in the nature of joint Federal and State appropriations, tax levies, and Federal joint legislation, and to request of the Congress of the United States, in behalf of the State of Texas, hearings upon these matters and to represent the interest of Texas at such hearings.

Section 5. The members of said committee shall receive \$5.00 per day for the number of days actually spent in the performance of their duties as members of said committee and shall be allowed actual traveling and other expenses incurred in the performance of their duties as such members which shall be paid out of the contingent fund of the Thirty-ninth Legislature by vouchers drawn upon such funds and approved by the Lieutenant Governor and the Speaker of the House of Representatives; provided, however, that the expense of said committee shall not exceed one thousand dollars.

Section 6. This resolution shall take effect immediately upon the passage hereof by both Houses of the Thirty-ninth Legislature.
